RE: Notice Regarding Case Settings

Please be advised that beginning April 1, 2020, the General Sessions Civil Court Clerk's Office will no longer schedule hearings for the month of May 2020, as the system will not permit further setting of new cases for that time period. Therefore, new cases must be set for June 2020 or beyond.

To ensure that your case has not been reset to a future date, it is recommended that you confirm hearing dates by checking the General Sessions website at least three days prior to your scheduled court date. The General Sessions Court Clerk's website is GS4.Shelbycountyttn.gov.

Sincerely,

Renee Allen-Walker,
Administrator
